SUBJECT: Fast Action Motorsports (FAME)

I have been doing business with Robb Strobridge and Maureen Wright for nearly 10 years at the Montgomery County Agricultural Fair (MCAC). The MCAC is a 501 (c) 3, non-profit organization that produces the Montgomery County Agricultural Fair, attracting over 220,000 visitors and 20,000 exhibits annually. This is the largest attended event in Montgomery County Maryland each year.

Robb and Maureen have always displayed the highest level of professional behavior and provided an outstanding attraction that encourages many of our patrons to return and enjoy each year.

The positive relationships that they have developed with other vendors as well as our volunteers and staff have contributed to the "family" environment that surrounds the race track during the Fair.

I highly recommend Robb Strobridge and Maureen Wright, owners of FAME Racing, as members of the Rocky Mountain Association of Fairs.

Do not hesitate to call me if you would like to discuss this matter in detail or have any questions.
